You say your
manager's missing
and this is
his picture?

Yes, and here's his name.

What's in there, George?

I think it's our manager.

It belongs to one of my fans . . .
She just flew in from California.

And would you believe it!
Our group had 34% MORE cavities!

Do you suppose he's thinking
of going out on his own?

What did he mean, go to jail,
go directly to jail, do not pass go,
do not collect \$200? ? ?

I'm probably the only dog
in New York with Beatles!

She's a nail biter...

Why doesn't she
bite her own???

**WELCOME
THE BEATLES**

I don't care
what you say, Ringo,
this is a stupid way
to cut down on
traveling expenses!

No wonder Avis is second.

I'll give him my
distinguished pose...

If he busts this camera, I'm out 400 bucks!

That's the most fabulous
gingerale I've ever tasted.

What a nutty restaurant . . .
We sat down and ordered fish,
and the waiter handed us these things . . .

Us Tareyton smokers would rather *fight* than switch!

What were you before
you became Beatles?

Beatle eggs ... What else?

The only thing you can do
is write back and tell Her Majesty
that we don't like to let
anyone sit in on drama!

Paul, you better move,
George isn't feeling well!

A black and white photograph of a man in a costume. He is wearing a hat with a large feather, a ruffled collar, a puffy jacket with buttons, and a short, ruffled skirt. He has one large, patterned wing attached to his back. He is holding a long, thin object, possibly a sword or a wand, in his right hand. He is looking upwards with an open mouth, as if speaking or singing. A speech bubble is positioned above his head. The background is dark and indistinct.

You mean you want me to
fly with only one wing???

He asked them what they think
of Gerry and the Pacemakers.

It's a wallet photo for BIG people.

And they call the game "Strip Poker."

But if you write your name on your hand
how can I take it with me?

I'm sorry, Lady, I can't sign used Kleenex!

A black and white photograph of a man sitting in the bow of a boat on a body of water. He is wearing a light-colored short-sleeved shirt and shorts, and has a cigarette in his mouth. He is holding a fishing rod with both hands. In the background, there are houses and trees along the shore. A speech bubble is positioned above the man's head.

Look, Mable, there's a fishpole
with a worm at one end,
and a beetle at the other!

GEORGE V

When anybody else buys a house,
they put their name on the mailbox
... but not Harrison!

A black and white photograph of two men standing in shallow ocean water. They are both wearing light-colored, short-sleeved button-down shirts and dark swim trunks. The man on the left is looking towards the man on the right. The man on the right is looking directly at the camera with a slightly open mouth, as if speaking. Both men have their hands held out, palms facing each other, and a large, dark, irregular smudge of M&M's candy is visible on the palm of each hand. Two speech bubbles are present: one above the man on the left and one above the man on the right.

Come on, George, which hand
has the M and M?

The one with the
sticky, gooey, chocolate mess!

It's nothing, officer,
we were having a
little tea party
on the second floor,
and I fell out the window.

Will the real
Louis Armstrong
please sit down?

OUCH!

I've gotten 15 shaves
with this (cuckoo) blade
and I haven't even
taken off the wrapper!

He says he doesn't like his hot pastrami . . .

Urp . . .
Hot pastrami
doesn't
like me!

98... 99... 100.

CAUTION! STUDENT DRIVER!

I'm sorry fellows but you'll
have to share a dressing room
with Jayne Mansfield, O.K.?

Nonsense, what makes you think
this was cut from a fish market awning?

(sniff, sniff)

Forget shampoo, get yourself some Clorox!

Nonsense,
what makes you think
this was cut from
a fish market awning?

Gentlemen . . . I still can't understand
why I was selected to address
all you distinguished psychiatrists.

He's crazy! this jacket does smell
like a fish market awning! !

This should be a fabulous new sound . . .
if I don't electrocute myself.

Ssssssssh,
Paul's been sleeping
like that
since 10 o'clock
last night.

Mister, what have you
got for falling hair?

A black and white photograph of four young men in a store, possibly a hair salon or a general store. They are all looking towards the right. The man on the far left is partially obscured by a price tag that reads '1/4 90'. The man next to him is looking at the man in the center, who is looking at the man on the far right. The man on the far right is looking at something off-camera. There are shelves in the background with various items, and a sign that says 'Girl' is visible. The overall tone is humorous, as indicated by the speech bubbles.

Jeepers and I borrowed his comb!

It's getting a little thin on top.

Oh, Lord, he's wrong,
please make him wrong . . .

I like boat rides,
but boat rides don't like me.

No it isn't... but it
sure tastes like a band-aid.

But mom, the other guys
stay up till
after midnight!

Since you're a beetle, I think it's only fair
to tell you that my father
is an exterminator...

It's very thoughtful of you,
but we can't accept stolen property.

It says we've been drafted
into the U. S. Army!

Yes, that's a nasty looking boo boo all right!

Look, Mary, I got a lock of his hair!

Hello, handsome...

How come she wears braces,
she doesn't have any teeth!!!

Steady, Mr. Porter...

He must think
I'm Cole Porter.

Can you imagine
what would happen
if my wig flew off?

We've been answering your questions
for half an hour . . . Now I'd like to
ask a question . . . who has the mustard?

But we don't like bananas!

Neither do I, help
me get rid of them!

No, Ringo, I'm sorry,
Ladybird is not
a nightclub singer...

She's doing the hula.
Every little movement has a meaning.
This particular dance is a rather boring
story you probably wouldn't be interested in.

What do you mean you traded
two of my autographs
for one Dave Clark!!

I'm waiting for George . . .
I promised him a great big kiss!

Pst, hey Paul,
tell her I went
back to England.

Everytime we play
"Roll Over, Beethoven,"
... he does.

I'm sorry about your studio, Mr. Sullivan,
I didn't know it was loaded . . .

What is it???

It looks
like a
space ship!

Duck!
It's heading
straight
for us!!!

No, it's a giant bug sprayer!

You know, we're probably
the first group in history
to play a Command Performance

Attention, men, we're going to disguise you
as soldiers and try to sneak you
thru the girls! Are you willing to risk it?

All-right, then it's unanimous
we'll call ourselves The BEDBUGS!!

The band left 10 minutes ago, Ringo,
you can stop twisting now!

I'm trying
to stop!
I can't!

No Mrs. Frankenstein,
I'm NOT Count Dracula!

Jeepers, look at my hairline!
It's up off my eyebrows!!
